Room Parent - it is important that all spaces are filled with parents from your class. If you have difficulty please contact the Volunteer Coordinator, Lisa Fisher at lafisher2@yahoo.com or 310-414-9943 and she will help fill your spots. This is, however, a last resort. We would also like to have the teacher of your class work one shift of your booth. It is important to the kids to see their teachers at the Fall Festival.

Please give this form to the Volunteer Coordinator no later than October 9th.

This form is available online at the Richmond website at the Fall Festival link. You may download it and send it to the coordinator that way if you choose.
